

Environmental, Social & Governance

2022 Progress Report

BAGEL  **BRANDS**

ABOUT THIS REPORT

Welcome to the Bagel Brands' Environmental, Social & Governance (ESG) journey.

This report is a summary of previous commitments, progress to date and work done to develop the ESG strategy for the future. Moving forward, this report will be published on an annual basis with updates on strategic vision, priorities, goals, commitments and progress as it relates to ESG initiatives.

EXECUTIVE SUMMARY

At Bagel Brands, we believe a better breakfast sets you up for a better day. We bake fresh-baked bagels and delicious bagel egg sandwiches to ensure better days for all our guests. Our ESG strategy is an extension of our mission to deliver a brighter day.

On our ESG journey, we will focus on three pillars:
PEOPLE, PLANET AND PRODUCT

We are committed to providing the most craveable breakfast prepared with simple, high-quality ingredients that you can feel good about eating.

We recognize our daily operations have an impact on the environment, and we are committed to minimize our carbon footprint.

Our focus is to be leader in female leadership development in the industry and provide an equitable, inclusive and diverse workplace.

ABOUT US

BAGEL BRANDS CORPORATION

- Privately owned by JAB Holding company since 2014, Bagel Brands is part of Panera Brands. Comprised of Panera Bread, Caribou Coffee and Bagel Brands, Panera Brands companies are independently-operated and united in their mission to be force multipliers for good for their guests, communities, the planet and shareholders they serve.
- Bagel Brands employs 200 support center team members and 7,000 team members in company-owned bakery operations.

- In 1995, the Einstein Bros. Bagels brand was created by Boston Market after it acquired multiple bagel shops to fall under the newly established brand. Today, with a national footprint, the inventive bagel shop is known for finding new ways to deliver the most craveable breakfast on a bagel.
- 689 total locations, 47% company-owned, 8% franchisee, 45% license, 45 states

- Established in 1983, Bruegger's was acquired by Bagel Brands in 2017. With a regional footprint, Bruegger's continues to deliver an authentic New York style boiled bagel, as it has from the beginning.
- 188 total locations, 72% company-owned, 28% franchisee, 1% license, 22 states

- Founded in 1989, Noah's has been part of the Bagel Brands portfolio since 1996. With locations solely in California, Noah's serves bagels with New York roots and California soul.
- 55 locations, 100% company-owned, California only

- Founded in 1987, Manhattan Bagel joined the Bagel Brands portfolio in 2000. Delivering an authentic New York style boiled bagel, the brand resides primarily in the Northeast.
- 61 locations, 100% franchisee owned, 6 states

Open locations as of October 2022.

OUR ESG STRATEGY: MATERIALITY APPROACH AND STAKEHOLDER ENGAGEMENT

Earlier this year, we conducted an in-depth materiality assessment to identify the areas where Bagel Brands should focus on addressing environmental, social and governance issues. As part of this process, internal and external stakeholders were interviewed, with representation from senior leadership across functional areas, industry groups, investors, franchisee and supplier partners, as well as non-governmental ESG experts.

Critical “Make it or break it” areas are where we choose to focus.

OUR ESG STRATEGY: ESG PILLARS AND AREAS OF FOCUS

Based on the materiality assessment, three pillars were established and areas of focus within each.

GOVERNANCE

In order to progress within our identified environmental and social areas of focus, governance is critical.

Our ESG leadership team is committed to driving the environmental and social agenda, identifying opportunities, measuring results and communicating progress to our stakeholders. They are responsible for sound risk management and establishing corporate governance practices that will allow for successful policies and methods to measure progress.

In 2020, a Sustainability Collaboration Forum was established among JAB companies. The mission is to share best practices across our organizations within areas impacting environmental, social and governance topics. Read more about JAB's ESG approach [here](#).
